INSPECTION FORMAT

1. The Sqn Comd marches to the dais, halts, salutes and introduces him/herself and invites the R/O to inspect the Sqn.
2. If the Reviewing Officer agrees to carry on with the inspection the following will take place:
 - a. The Sqn Comd will request to stand the remaining Flts at ease as the Reviewing Officer departs the dais on the way over to No 1 Flt. If approved, the Sqn Comd will order “#1 Flight Stand Fast, Remainder Stand-At-EASE.”
 - b. The R/O, with the Sqn Comd on his right, by a series of wheels, approaches the right flank of No 1 Flt to meet the Flt Comd who will have moved into a position one pace in front of the Flt marker. Flt Comd salutes, identifies him/herself, the Flt, the number of cadets within the ranks stating that they are ready for inspection. As the R/O steps forward to commence inspecting the front rank, the Flt Comd moves over to his left, turns about and follows the R/O one half pace behind and furthest from the rank being inspected. The Sqn Comd falls in rear of the Reviewing Officer.
 - c. Once at the left flank of the front rank, the R/O continues inspecting the centre rank starting at the left flank. On making the wheels between the ranks the Flt Comd and Sqn Comd cut in behind the R/O so the Flt Comd will be one half pace behind the R/O now on his left.
 - d. Once at the right flank of the centre rank, the R/O wheels to continue the inspection of the rear rank and the Flt Comd and Sqn Comd cut behind the R/O so the Flt Comd is one half pace behind the R/O and now on his right.
 - e. By the time the R/O has reached the centre of the rear rank, the next Flt Comd shall have turned about, brought the Flt to ATTENTION and have marched into position, 1 pace in front of the marker to await the arrival of the R/O.
 - f. Once past the left flank of the rear rank, the No 1 Flt Comd halts and asks if R/O has any comments or concerns. Once the R/O is satisfied, the Flt Comds and salutes the R/O.
 - g. The Sqn Comd will escort the R/O to the next Flt Comd.
 - h. The No 1 Flt Comd will then march out in front and halt facing the Flt order the Flt to Close-Order-MARCH, Stand-At-EASE and turns about and stands at ease.
 - i. No 2 and 3 Flt Comds will repeat the same actions as the No 1 Flt Comd
 - j. On completion of inspecting the Flts the Sqn Comd will suggest the inspection of the Band. The Sqn Comd will escort the R/O on his right to the Band Master, proper compliments will be exchanged. At this point the R/O may either do an inspection of the Band with the Band Masters accompaniment (Sqn Comd will wait until the R/O is finished) OR converse with the Band Master. Proper compliments will again be exchanged upon completion.
 - k. The Sqn Comd will then accompany the R/O back to the dais, either by the left or right flank of the Sqn. As the R/O and Sqn Comd pass the front rank of the Sqn (typically, No 3 Flt), the Sqn Comd will bring the Sqn to ATTENTION.
 - l. On the way back to the dais the R/O will march directly to the dais and the Sqn Comd will wheel away from the R/O and march to a position in front of the dais. This allows the R/O to turn around and adopt the position of attention facing the parade prior to the Sqn Comd assuming the Sqn Comd's position.
3. The Sqn Comd will request to carry on with the March Past. Once acknowledged, the Sqn Comd will pay compliments and assume the Sqn Comd's parade position on the parade square.
